Krutik Dhiren Patel

Towson University Student

EDUCATION

Dumbarton Middle School

2015 - 2016

During my academic year in Dumbarton middle, I took several courses, including the U.S. history, science, English, and also took part in the soccer team.

Perry Hall High School

2016 - 2020

During my academic year, I took AP computer science principles class to get familiar with the HTML and binary bit machine foundation.

Towson University

2020 - Present

I am currently studying at Towson University. I am taking software engineering courses to get familiar with various software designing and management principles.

CLUBS AND ORGANIZATIONS

National Honor Society

2022-Present

I am a part of national honor society. This club is situated in my university's campus, which helps me to gain experience regarding the job industry, and leadership skills.

PROGRAMMING LANGUAGES
